

## SiloStream Pack List

| Piper Part No. | Description  | Qty | Notes   | Origin  | 4" Alternatives |
|----------------|--|-----|---|---------|-----------------|
| PARMET021      | Meter sealing bolt                                     | 2   |   | Ireland |                 |
| PARCAB002      | CBL, PLUG, 5m, 4 wire, ang, (Pump)                     | 1   | Tightening Torque: 0.6 to 1.5Nm   | Ireland |                 |
| PARCLA011      | 3" Tri clamp 316                                       | 3   | 4" clamps available   | Ireland | PARCLA004       |
| PARGAS006      | 3" Tri gasket  | 3   | 4" gaskets available  | Ireland | PARGAS007       |
| PARFER003      | 3" Tri ferrule 316                                     | 2   | 4" ferrules available   | Ireland | PARFER004       |
| PARCAB013      | CBL, Jum, 0.6m, 4 wire, ang/ang (Dual Sampler & Probe) | 2   | Tightening Torque: 0.6 to 1.5Nm   | Ireland |                 |
| PARPRO001      | Liquid probe 11mm                                      | 1   | Tightening Torque: 20 to 25Nm   | Ireland |                 |
| PARPRO002      | Temperature probe                                      | 1   | Tightening Torque: 30 to 50Nm   | Ireland |                 |
| PARSAM149      | Piper single US Sampler                                | 1   |   | Ireland |                 |
| BOMSLI001      | SiloStream TS7 316                                     | 1   |   | Ireland |                 |
| PARCAB026      | Terminator resistor plug                               | 1   | Tightening Torque: 0.5Nm  | Ireland |                 |
| PAREXT031      | Bulkhead tightening tool                               | 1   |   | Ireland |                 |
| PAREXT023      | Piper printer rolls                                    | 2   |   | Ireland |                 |
| PARMET005      | C76 - 3" Flow transmitter                              | 1   | C102 - 4" Flow transmitter available                                    | Ireland | PARMET006       |
| PARCAB047      | CBL, Jum, 0.5mtr, 5 Wire, Str- hardwired to meter      | 1   | Flow rate output to SCADA   | Ireland |                 |
| PARSAM105      | Sampler 3" clamp with boss (pair)                      | 1   | 4" clamps available   | Ireland | PARSAM025       |
| BOMSLI003      | Silostream output box                                  | 1   |   | Ireland |                 |
| BOMSLI004      | Silostream input box                                   | 1   |   | Ireland |                 |
| PARCAB006      | CBL, Jum, 5m, 8 wire, str/str for input & output boxes | 2   | Tightening Torque: 0.7 to 0.9Nm   | Ireland |                 |
| PARCAB024      | CBL, Jum, 5m, 5 wire, CAN, str/str, (Meter)            | 2   | Tightening Torque: 0.5Nm  | Ireland |                 |
| PARCAB058      | CBL, Jum, 4m, 5 wire, str/str (Various)                | 1   | Tightening torque: 0.6 to 1.5 Nm  | Ireland |                 |
| BOMPOW202      | Power kit usa 4m                                       | 1   |   | Ireland |                 |
| PARCAB008      | CBL, Jum, 4m, 4 wire, ang/str (Various)                | 1   | Tightening torque: 0.6 to 1.5 Nm  | Ireland |                 |
| PARBOS009      | Welding mandrel  | 1   |   | Ireland |                 |
| PARSTS060-1    | Accustream wall brackets (pair) 316                    | 1   |   | Ireland |                 |
| PARSAM164      | Open vial top & slide up bracket small (Flostream)     | 1   | * remove if using the 16oz bottle. Use part # PARSAM156-1 & PARSAM165-1 | Ireland |                 |
| PARSAM165      | Polycarbonate magnetic top small FLO                   | 1   | * remove if using the 16oz bottle. Use part # PARSAM156-1 & PARSAM165-1 | Ireland |                 |
| PARSAM169      | 2oz insulated holder with ss sleeve small              | 1   | * remove if using the 16oz bottle. Use part # PARSAM156-1 & PARSAM165-1 | Ireland |                 |
| PARSAM168      | Acetyl horizontal tube clamp                           | 1   |   | Ireland |                 |
| PARSAM158      | Acetyl right angle RHS pinch clamp                     | 1   |   | Ireland |                 |
| PARSAM171      | Universal Sampler backing plate 316                    | 1   |   | Ireland |                 |
| BOMPRO105      | 3" Tri clamp Tee boss (double) silostream              | 1   | 4" boss (double) available  | Ireland | BOMPRO106       |
| PARPRO005      | Liquid Probe 38mm                                      | 1   | Tightening Torque: 20 to 25Nm   | Ireland |                 |
| PARBOS004      | Probe Weld Adapter Pipe (3A)                           | 1   |   | Ireland |                 |
| PARCAB046      | CBL, Jum, 20mtr, 4wire, ang/ang                        | 1   | Tightening torque: 0.6...1.2 Nm   | Ireland |                 |
| PARCAB064      | CBL, PLUG, 10m, 4 wire, ang, (Pump)                    | 2   | Tightening torque: 0.6...1.5 Nm   | Ireland |                 |
| PARLE035       | IO Module Node 10                                      | 1   |   | Ireland |                 |
| S1             | M8 Locknuts  | 4   |   | Ireland |                 |
| S1             | M8 Plain washer  | 8   |   | Ireland |                 |
| PARPUMXXX      | Bowpeller Pump - refer to available options            | 1   |   | US      |                 |
| PARPUMXXX      | VFD - refer to available options                       | 1   |   | US      |                 |
|                | Pneumatic air lines                                    |     | Not supplied  | US      |                 |
|                | Drain & Delivery Valves                                |     | Not supplied  | US      |                 |
|                | Air blow valve   |     | Not supplied  | US      |                 |
|                | Sampling Inspection Tee                                |     | Not supplied  | US      |                 |

### 16oz Bottle Options

| Piper Part No. | Description   |
|----------------|---|
| PARSAM156-1    | Open vial top with slotted bracket & holder 16oz (Flo/Silo) |
| PARSAM165-1    | Polycarbonate Magnetic Top Large 16oz (Flo/Silo)            |

### PUMP & VFD Options

| Power | Piper Pump Part No. | VFD 480V 3P | VFD 230V 3P | VFD 230V 1P |
|-------|---------------------|-------------|-------------|-------------|
| 10HP  | PARPUM053           | PARPUMP054  | PARPUMP058  | PARPUMP057  |
| 15HP  | PARPUM072           | PARPUMP067  |             |             |
| 20HP  | PARPUM068           | PARPUMP069  |             |             |
